TRIP ITINERARY

7 Days | Overnights: Overnight Flight (1), Porto (5)

Come along for a week of slow, deliberate, creative discovery in Portugal! "Flow" is the sense of fluidity between your body and mind, where you are totally absorbed by and deeply focused on something, beyond the point of distraction. Time feels like it has slowed down. Your senses are heightened. You are at one with the task at hand, as action and awareness sync. Allow yourself to enter the rhythm and cadence of a new culture. Slow down, look and wonder. This is experiential travel at its finest. Together, we'll dive deep into Porto's stunning architecture, culinary delights, local wines, and unique golden light. Drawing on 25+ years of expertise guiding educational European journeys, your Group Leader, contemporary artist Elaine Florimonte, will help you practice being fully present. Through the use of a travel sketchbook/journal, we'll learn to travel with intention. Whether or not you consider yourself an artist, you'll receive guidance in plein-air techniques, mixed-media collage and journaling. The simple act of putting pen to paper is a powerful way to channel your perspective. We invite you to engage and reflect on this journey through your own unique lens.
